

# JUNIOR SUMMER art camps

for kids

## Champions Camp

Did you know there are some famous athletes who are also well-known artists? Serena Williams, Larry Johnson, Usain Bolt, and Brett Tomko, just to name a few! Learn about college basketball star Michael C. Thorpe and his textile art while his work is on view in our Galleries. Find out where their inspiration came from and re-create their work using paint, textiles, and more.

Ages 4-6 | Ages 6-8 (FULL) | Ages 9-13 | Ages 13-17

## Community Artists

There are some great local artists right here in our community! We'll learn about poets, jewelry makers, fiber artists, potters, illustrators, and painters. Campers will explore the various mediums these local artists use to become local artists themselves!!

(Additional \$10 Materials Fee)

Ages 7-10 (FULL) | 11-13

## Culture Carnival

Grab your creativity passport and make art from around the globe. We'll practice drawing global architecture, craft an African mask, create mosaics from Italy, and more.

Ages 6-9 | Ages 10-14

## Curiosity Collective

Try your hand at a variety of materials. We will paint, create with clay, make 3D sculptures, explore printmaking, and more. This is a great camp to try a little bit of everything!

(Additional \$15 Materials Fee.)

Ages 4-6 | Ages 6-10 | Ages 11-13

## Fiber Arts

This is a fun textile class where we'll make small weavings and turn them into owls, create fabric bowls, learn to batik, and more. Just bring your imagination!

Ages 7-10 (FULL) | Ages 11-13

## Foundations of Art

Are you curious about the basic foundations of art? Come learn about the Elements of Art and Principles of Design. Learn how to make a new color, name it, and use it in a work of art. We'll also explore how elements and principles work together to create all forms of art.

Ages 6-9 (FULL) | Ages 7-10 | Ages 11-13

## The Great Wave

Ahoy artists! Come dive into a magical camp of ocean-themed art-making! Using an array of art techniques, paint your favorite ocean creature(s) and a beautiful beach scene, create a seashell mobile, and more!

Ages 4-6 | Ages 7-10

## Journaling & Collage

This week we will learn how to make a home-made book and each day we'll create collages inspired by different artists such as Alma Thomas and Romare Bearden. We'll also learn how to journal with daily prompts utilizing materials such as pencils, pens, markers, watercolors, magazines, fabrics, and more.

Ages 6-10 | Ages 11-13

## Lost in Space

Art created in this camp is out of this world! Make aliens, rocket ships, and paint the galaxy and planets with several different art materials. Campers will learn about Astronaut Alan Bean who painted the moon! Go home thinking like an astronaut.

Ages 4-6 | Ages 6-9

## Major Masters

We're taking the mini masters camp up a notch! Pick up your brush and paint masterpieces in the style of a great artist. Paint Van Gogh's flowers, Picasso's cubist faces, Matisse's collages, and Georgia O'Keefe's pastels. Paint a canvas as a final masterpiece.

Ages 9-11 | 11-13

## Master the Museum

Campers will become a Hickory Museum of Art expert by exploring our own collection of American Art. Each day, campers will explore a different gallery and re-create a work of art that inspired them.

(\$10 materials fee)

Ages 4-6 | Ages 7-10 | Ages 11-13 | Ages 12-17

## Mini Masters

Pick up your brush and paint masterpieces in the style of a great artist. Paint Van Gogh's flowers, Picasso's cubist faces, Matisse's collages, and Georgia O'Keefe's pastels. Paint a canvas as a final masterpiece.

Ages 4-6 | Ages 7-10 (FULL)

## Nature's Playground

Campers will create art from the earth and learn about the impact we have on the planet. We will make nature prints, seed mosaics, cyanotypes, and more.

Ages 4-6 | Ages 7-10 (FULL) | Ages 9-13

## Shape & Sculpt

Create art from clay and make wood, foil, and paper sculptures. We will make sculptures with wire and/or other mediums. All art will be 3-dimensional.

(Additional \$10 Materials Fee)

Ages 4-6 | Ages 6-9 (FULL) | Ages 10-13

## Stars & Stripes

Let's celebrate July 4<sup>th</sup> with patriotic artwork like pinwheels, hats, flags, fireworks, and more. Learn some interesting facts about the Statue of Liberty and create a work of art inspired by Romero Britto.

Ages 4-6 | Ages 6-8 | Ages 7-10 | Ages 9-13

**THURSDAY, AUGUST 15**  
**5-7 PM**

Join us for a special end-of-summer celebration and art exhibition featuring the work of our camp participants. Students may choose one piece of their artwork to be included in the exhibition.

# create Summer workshops

for teens

Experiment with different art mediums like paint, textiles, pottery, & more!

## 3D Workshop

If sculpture is your thing, this is your class! Create with clay (to be glazed and fired), make wire, paper mâché, and wood sculptures. All projects will be 3-dimensional.

(\$10 Materials Fee)

## Drawing & Painting Workshop

This workshop will teach the basics of drawing and painting. Learn basic techniques with different drawing materials and how to paint utilizing different paint mediums.

(\$10 Materials Fee)

## Fiber Arts Workshop

We will learn some natural dying techniques, weave projects incorporating natural materials, and try your hand at creating batiks and other fiber projects.

## Photography Workshop

Come learn the fundamentals of photography and learn techniques of composition, light, depth of field, exposure, and more. Learn how to properly download and save to a provided flash drive. Must have your own DSLR camera with a sim card.

(\$15 Materials Fee)

## Printmaking Workshop

Learn to print in a variety of ways. Try gelli prints, pop art poster prints, and print on HMA's large press to create a mono-print. You'll even carve your own stamp for creating trading cards. A variety of printmaking techniques will be covered.
